

IEEE INTERNATIONAL CONFERENCE ON ADVANCED
NETWORKS AND TELECOMMUNICATIONS SYSTEMS15-18 December 2024,
IIT Guwahati, Assam, India

CALL FOR PAPERS

IEEE ANTS is a premier IEEE conference on advanced networking and telecommunications topics. IEEE ANTS is financially and technically supported by the IEEE Communications Society. The distinguishing characteristic of IEEE ANTS is the promotion of an intense dialogue between academics and industry to bridge the gap between academic research, industry initiatives, and governmental policies. This is fostered through panel discussions, keynotes, invited talks, and industry exhibits, where academia is exposed to state-of-the-practice results from trials and interoperability experiments. This year, the theme is “**Bridging the World with Intelligent Communication.**”
